

Declaration of Conformity

Fieldbus Interfaces

Protocol	Part numbers	
Ethernet/IP	PIM-EI-0x	PIC-EI-0x
Modbus/TCP	PIM-MT-0x	PIC-MT-0x
Modbus/RTU	PIM-MB-0x	PIC-MB-0x
Profinet	PIM-PN-0x	PIC-PN-0x
Profibus	PIM-PB-0x	PIC-PB-0x
Device Net	PIM-DN-0x	PIC-DN-0x

The communication interfaces for AuCom electronic motor soft starters are designed to conform to the appropriate industrial network protocols and /or standards. The interfaces have been tested in combination with AuCom soft starters according to relevant sections of IEC 60947-4-2, and in accordance with appropriate communications protocol specifications listed below.

This equipment conforms to the European Economic Community Low Voltage Directive 2014/35/EU (Electrical Safety) and EMC Directive 2014/30/EU.

This equipment conforms to the emission limits specified by the Australian Communications Authority and the Radio Spectrum Management Group of the New Zealand Ministry of Economic Development. Supplier code E3939.

The Profinet Interface has been tested and certified by PHOENIX TESTLAB GmbH as conforming to the specifications for a PROFINET IO device. File numbers Z10619, Z12869.

The Ethernet/IP Interface has been tested and certified at the ODVA-authorized Test Service Provider as conforming to the specifications for a EtherNet/IP device. File numbers 11146.02, 11981.01.

The DeviceNet Interface has been tested and certified at the ODVA-authorized Test Service Provider as conforming to the specifications for a DeviceNet device. File number 10253.

Profibus device has been registered and tested at PROFIBUS
Nutzerorganisation e.V. File number PCN071-DPS-01.

MODBUS Conforms to specification application protocol V1.1b3.

This equipment conforms to the European Union Directive 2011/65/EU
(Restriction of the use of certain hazardous substances in electrical and
electronic equipment) and subsequent amendments.

This equipment has been designed and manufactured under a Quality System
that is certified to ISO 9001:2015.

Declared in Christchurch, New Zealand on 05 March 2024.
